

The Electronic Frontier Foundation (EFF) is the leading organization defending civil liberties in the digital world. We guard free speech online, champion digital privacy, support emerging technologies, defend digital innovators, and work to ensure that our rights and freedoms are enhanced, rather than eroded, as our use of technology grows.

Help us protect digital freedom - BECOME AN EFF MEMBER TODAY! Complete this form or go sign up at eff.org/join. EFF is a U.S. 501(c)(3) nonprofit and donations are tax deductible as allowed by law.
